

Photography and Digital Arts Department Facility Manager & Teaching Artist

We are seeking a dedicated individual with extensive knowledge of photography, both analog and digital, to join our team. The ideal candidate will possess strong organizational skills, a positive attitude, flexibility, and a collaborative mindset. Responsibilities include maintaining a clean and safe studio environment, providing technical support, and managing equipment, studios, maintenance and repair. The successful candidate will also have experience with teaching a variety of processes and developing curriculum for both youth and adults. Additionally, the role involves managing our eBay shop, building community engagement, and assisting with administrative tasks as needed. If you have a passion for photography and the ability to work effectively in a dynamic environment, we encourage you to apply!
